“ *We'll remember the magazines we exchanged, the Starbucks drinks, the dog walks, your love of horses, and all the get-togethers we had over the years trying to solve the problems of the world... needless to say we couldn't solve them, but we had some good laughs! Thanks for being a part of our life. You will truly be missed, Joan.*

“ *My thoughts and prayers are with your family at this time. I traveled many times with Joan and Mary through OAT. I will remember those trips but much more importantly I will remember Joan, and what a great person and friend she was. She will always be in my heart.*
