“ Dear George, Christine, Mark, David and families: We are so saddened to know of Johanna's passing. Her incredible joy in her family and the strength of her convictions are her legacy. She was never just my sister-in-law, but instead my sister, in love. Johanna was, and will always remain, my image of a strong and self-directed soul. I have no doubt she will be watching and guiding us in the days, weeks and years ahead. All our thoughts and prayers are with you. Love, Susan, David, Meredith & Catherine

“ Remembering: When my son Brian was less than 3 yrs old; Brian and I were invited to visit Johanna and George. To this day I still have pictures taken by my sister-in-love of Brian laughing! You see, she and George took Brian and I to Kings' Dominion. Where Brian, Johanna, George and I walked about that amusement park. Pictures of Brian smiling because he was floating seemingly "in air" on a fun ride specially for little folk. Then there was a memory of George climbing on that hugeeee roller coaster at Kings' Dominion that same day. I didn't even know HE liked them. My sis knew tho'; it was their flight of fancy, roller coasters. Watching them was so cool. Knowing that she brought out the "kid" in my big brother, was cooler still!! And, he loved it!! Seems, it was "their thing" to ride any and all roller coasters! Good going Johanna!! I wish I were going to be with you this last time Johanna. YOU were always there for my family.Loving. Savy. Always in the know, always willing to offer help. All ways. I love you always, Joanie Grimm Gillham Louisville, Ky.
