“ *Mitzie, Peace and be Comforted. My thoughts and sympathy are certainly with you and the family at this time. John certainly confounded the medical profession for at least a decade, but the struggle is mercifully over. I can fondly remember the visits that I have had with you both these last few years. The humor and wit that John displayed, even while suffering, was remarkable. Yes, I believe that the humor and wit will be his legacy. We all will miss him.*
