“ *Dear Aunt Marty and Gang, My thoughts and prayers are with all of you and your families at this time. I remember Uncle John fondly and always remember how excited everyone would be whenever you all were able to come and visit. I know my Dad and Grandfather(the Bill Feeley's) thought the world of him! Love, Peggy Feeley Carroll*

“ *Kathy and family, you are in my thoughts and prayers. I know there isn't anything I can say to take away the sadness you are feeling at this time. Know that you will never lose the memberies you have of the loving and caring man your father and husband was and those memberies will keep him alive in your hearts.*
