“ *Dear Heather, Mandy, Alissa, Rusti and family; It was one of the saddest days of my life when I received the news of John's death. I know how difficult this time is for all of you. Please know that I share in your sadness as I considered John ("Poncho", as we all knew him) my best friend ever since we first knew each other as children. He and I shared many wonderful times as we grew up. Even as we went our individual ways as adults he maintained that status as my "best friend" and will remain so even though he is now gone.*

“ *To John's family, I offer my sincere condolences on the loss of your beloved family member. He was truly a very nice, quiet, and humble man. It was always my pleasure to be around him and to converse with him on a variety of topics. May God be with you in your time of loss.*

“ Dear Heather, Mandy, Alissa, Rusti & Family: Such a sad time and our hearts are breaking for you all. John was such a kind and caring person. We have fond memories of good times together, especially our chance encounters at several restaurants in Alexandria. He would always invite us to join him and then be entertained the whole time with stories & jokes. I know he loved his family very much and you will miss him tremendously. However, the memories created over the years and recently will help you get through this difficult time. Please know you all are in our hearts and prayers!! Much Love, Kristey, Jim & Katie

“ Dearest Heather, Mandy, Alissa, and Rusti - Our thoughts and prayers are with you girls at this very sad time. You should all be so proud of how brave and devoted you have been to John over the course of his illness. I know he is looking down on you all and wanting you to know that you were wonderful daughters and he was the luckiest dad in the world. Take comfort in knowing that he is no longer in pain and surround yourselves with memories of all the good times we have had together. He loved you very much and we all loved him and will miss him. Our hugs, kisses, and love to you.
