“ I remember John from the 'hood' and high school days but I most remember his kindness after my sister and I were involved in an accident in the early morning and he was the only person who stopped to help (and this was before cell phones). Within minutes, there was fire/rescue/police to our aid. I don't know who his connection was (maybe one of the Morgan boys?) but we never forgot it. And this was after he had been in a horrible accident and was bandaged up like a mummy. God love him.

“ John will be missed by so many! Prayers are with the family! My husband would say that he looks like "Rocky" and in deed he did. John loved Elvis too. I remember him from the last reunion my husband and I attended. He was a very much loved guy in high school. Graduated with him. He will be remember by so many! God Bless the family.

“ Eugene White  
I remember the Burgundy Village boys of summer. We loved fast cars, rock and roll, and our hometown. We didn't realize it back then but those really were the days of our lives.  
I will keep your family, and friends in my thoughts and prayers. May the memories keep you with them always. God Bless your family in this time of sorrow.

“ *I first met John back in art classes at Edison. He was such a character, always had the class in stitches with his funny ways and humor. Was happy to run into him a few years later when I found out he was working at the Merrifield post office. Thru the years, he was always that sweet fellow from high school. It was always a pleasure being around him. My thoughts and prayers are with his loved ones. May sweet memories bring comfort to you at this time.*

“ I had already been missing John's great stories the past couple years. John was such a loyal friend. I am so saddened to learn of John's passing. Remembering how wonderful he was with children (so attentive to children when he was around them); how great he was at telling a story--and the many, many great stories and experieinces he had--and how wonderful his mother and wife Cindy are!---please accept my deepest sympathy! John was truly a wonderful man and will be missed greatly! I pray you find comfort through memories of John in this time of sorrow and in the days ahead
