

John F. Hanrahan

September 9, 1943 - July 27, 2020

On July 27, 2020, John Francis Hanrahan, loving husband and father of three children, passed away at home after a long battle with cancer.

John was born on September 9, 1943 in Washington D. C. at Providence Hospital to Francis and Genevieve (Walter) Hanrahan. He graduated from Archbishop Carroll High School in NW D.C in 1961 and from the Fordham University College of Pharmacy in 1966. On May 30, 1972 he married Corlin (Lyn) Dombey. They raised three children, Elizabeth, Anthony, and Katherine. He began his pharmacy career at Peoples Drug Stores and worked at Arlington Hospital for 31 years until his retirement. A lifelong learner, John continued his education in pharmacy and maintained his pharmacy license well into his retirement.

John enjoyed gardening and hiking, particularly in the Shenandoah Mountains. He was an adventurer, insisting on taking the “scenic route” on car trips to explore the dirt roads and small towns on the way to his destination. John loved spending time with his grandchildren, playing games, completing puzzles, and teaching them about life. Although he was a private person, John showed his wit and sense of humor to those closest to him.

John was preceded in death by his father, Francis and his mother, Genevieve. He is survived by his wife, Corlin (Lyn), his three children, Elizabeth Hanrahan (Roderick Tan), Anthony Hanrahan (Katie Looney), and Katherine King (Sean-Paul King), four grandchildren, Genevieve Tan, Flynn and Rowyn Hanrahan, and Declan King, his brother James (Theo) Hanrahan, nieces and a nephew,

and 8 green bean plants.

Interment will be held privately. A memorial Mass may be held at a later date.

Please consider making donations in lieu of flowers to a charity of your choice in John's memory.

“ Dear Lyn, Eliz, Anthony, and Katherine,

We are so deeply sorry for your loss. Please know how much we love and remember John as husband, father, and family friend. We fondly recall how for several summers we traded the extreme heat of DC for the cooler elevations of the Shenandoah Mountains and cabin camping at Lewis Mountain. John was a wonderful companion. He was knowledgeable and able to help share experiences with all the children. Even now, we still take the Shenandoah Parkway all the way down to Lewis Mountain and stop in at Camp Store for old times sake.

“ *Dear Liz, Lyn and family—*

I'm so very sorry for your loss and am thinking of you all in this difficult time. Liz, I'm glad I got to meet him, even if I might have slightly overwhelmed him with all my talking at Hough's. I have made a donation to the American Community Gardening Association in his honor. Marci
