“ *I am so sorry to hear about Mr. Kennedy. From when I was 11 years old and became friends with Marion, spending the night at their home on weekends, he would always make me laugh. He had a great sense of humor. My heartfelt condolences - Marion, you know I love you. Gail Reid*

“ John Kennedy was the most kindest, loving, giving and caring man that I have ever worked with. The way he loved his family was unlike any man I had ever known. I had the privilege of working with John for 2 years prior to his retirement, we were cube mates and I was the third women with the name Susan that he talked with while at work on a daily basis. He would often call me Suzanne simply because he talked with her daily while at work as well. He was well respected by the entire G1 as well as others outside of the G1. I missed him when he retired but would check in with him occasionally via email.
He will forever be in my memory and heart! REST IN PEACE JOHN! Gone but never forgotten! Love Ya Susan
