“ *John was a good man whom I was honored to know and share time talking. We had many “over the fence” chats when we were neighbors. One of my fondest memories is the day we spent fishing together on the Potomac River catching largemouth out of the grass. He taught me a lot about fishing, boats, and life in general. Rest easy John, we will miss you, but we know you are with us in spirit, and you will not be forgotten Sir!.*
