“ *I will always remember Uncle John as my Dad's best friend (and brother). They would visit often over the phone when I was growing up. Uncle John would come out every year to Arizona and help my Dad with shipping the cattle. I think Uncle John was always a cowboy in his heart. When my Dad passed away, Uncle John took the time to take my family to where they grew up and where my Dad was born (the house is now gone). He made and shared memories I will always treasure in my heart.*

“ *We will miss Uncle John so much! He was one of the kindest, most patient and cheerful people we have ever known. We always looked forward to being with him. He was a very special person! God's Peace and Comfort to Aunt Jeannie and to Lisa, Debbie, Steve, Bruce, and their families.*

“ Dear Steve, Carrie and family. Gary and I were very sad to hear the news about your father. I remember him as a kind, thoughtful and interesting man when we met him and your mom in Wiesbaden. When you come to Colorado we'll have to take a special trip to Lyons. It's such a great little town and it would be nice to visit with your dad in mind. Our thoughts and love are with you all now and always. Anna
