“ *I cannot think of uncle Johnny without thinking of dear sweet Betty. They\'re lives have truly blessed us. You should be proud. There is this thing called \'Soul Print\' ,and they as well as the many before them have journeyed into eternity leaving each of us fond thoughts and memories of yesteryear. To think that there has never been nor ever be anyone else like them, is unimaginable. their lives have been the catalyst for who we\'ve each become. Who could ever take such fond memories from us? \'imagine del cuore\' is an Italian discourse which means ,\'image of the heart\'. I thought that this was my thoughts of them in a nutshell. Thank you Johnny and Betty. My thoughts are with all the family. Love to all, Gary.*

“ We are all saddened by Johnny's passing. So many warm memories of him and the Hoover clan. A devoted family man, full of life and energy. Loved that he called Betty, "Momma". The USAF was fortunate to have had a member with such a distinguished career. Thoughts and prayers to Sheila, Danny, Nancy, Jeff, and the extended family. Celebrate a wonderful life.

“ I met John when he was a young man of about 80 years old. He was jogging and lifting weights. I thought now there is a strong tough man. I admired that strength, but what I have come to appreciate even more is the way that he loved his family and the way his family loves him. How rich he was in what truly matters. My thoughts and prayers are with his family. May God comfort you as you mourn his passing.

“ Dear Sheila, Danny, Nancy, Jeff and your families, We have so many wonderful memories of your Dad. Many of those memories are from Virginia Hills and at Granny's place on Prince Street and in DelRay. We will never forget the fun family picnics at Ft. Hunt Park and crabbing at Solomon's Island. We always had a blast being with your Dad and family and eating those spicy steamed crabs. We will always remember Johnny's smile and his fun jokes. He was a great family man and he will be deeply missed. Our thoughts and prayers are with you at this sad time. With Love, Debbie, Dave and Our Family
