

Jose Leonso Marquez Perez

February 20, 1983 - September 7, 2023

The world was Blessed with Jose Leonso Marquez Perez, born on February 20, 1983, to parents Jose Marquez and Delci Perez de Marquez in El Salvador. At 19, he moved to the United States to live with his sister Maria (“Lupita”), her husband Rafael Perla, and their children.

Jose was a very hard-working man who was dedicated to his career and jobs and an excellent learner. He advanced through his career, making a lot of progress to continue learning new skills in his fields of experience, such as construction, masonry, and plumbing. During his time in El Salvador, Jose acquired a bachelor’s degree in accounting, and during his time in the United States, he pursued advancement in the trades through school. He was also very talented and expressed many hobbies that he liked to do in his free time. His guitar-playing abilities were astounding, and in a short time after coming to the United States, he rapidly increased his English-speaking skills, which made him a master of both languages. He also loved to play video games, go out with friends, watch his favorite shows and sports, such as soccer, and spend time with his family. He was a very selfless and outgoing person, always seeking to give a helping hand to family members and friends who needed help with any task. He was a genuine and honest person who loved to have conversations with everyone and meet new people, and he always had a charismatic personality. Jose often told jokes that would get many laughing in a room to bring out smiles as the fun-loving person he was.

Jose will be remembered as a fantastic uncle to his nephews and nieces,

brother to his siblings, son to his parents, an outstanding family member, and a great friend to everyone.

We will all come together on Friday, September 15, 2023, at 6:00 pm to honor his life at Bush Hill Presbyterian Church. 4916 FRANCONIA RD,
ALEXANDRIA, VA 22310
