“ Ann and family - I am so sorry to learn of Joes illness and passing. My family's thoughts and prayers are with you and your family at this terribly difficult time. Joe was a special friend and Charlie enjoyed every minute playing "Hearts" and sharing stories with the guys. Charlie and I thought so highly of you and Joe and always knew you would be there for us. I take comfort in knowing Joe took the time to visit Charlie several times before his passing. I hope you find comfort in remembering the good times. If you need anything please call and my family will be there to help to you. Your friend -  
Ruth Deck and family
