This was an honor that had not been bestowed upon any other players from the private high school. Although Joe received a congressional appointment to the U.S. Naval Academy with a full football scholarship, he chose to stay in his home state and continued his education at King’s College in Wilkes-Barre, PA. Here he earned his Bachelor of Science in Accounting. After serving 3 years in the US Army, he was moved to civilian ranks to finish his tour. Joe retired from the Federal Government in 2005 after 42 years of service. He was a devoted husband and father and enjoyed spending time with his family, cruising and watching sports.

“ *I was in third grade, spring of '81, when I first met 'Coach Hribar'. I was trying out for the 'Packers' (later we became the Pirates and won the championship for him). I played 3 years under him. He was my first coach ever and I have never forgotten him. I still have the bat I homered with, catcher's mitt and 4 baseballs that he gave me. It was a blessing and an honor to have known coach Hribar. Our Heavenly Father sure knows how to put lovely people in our lives. He was one them.*

*Joe Hribar was a great guy. When he became Commissioner of StLouis Little League, I was the fortunate fellow who inherited his beloved Pirates. What great memories of his kids and mine playing side by side along with the Molinares boys. Joe convened a great banquet after the season, and I kept my signed baseball for years and years. Thanks Joe. Go with God.*
