“ *I will always remember all the fun and laughter we shared growing up. I have often shared some of my childhood memories with my family and it brings a smile to my face. I am saddened by the news of your passing but glad you are at peace. You will always live in my thoughts and prayers. I wish your family peace and comfort during this difficult time. Your loving cousin Libby Mattingly Williamson*

“ *The sad news of Joe's passing takes me back to my childhood. At one time or another most of the cousins lived with our grandparents and Joe is part of warm and happy memories. May his family find peace and comfort as they grieve his loss. Love, Kay Mattingly Halwick*
