“ *Aunt Peany, I can't believe you are really gone the last one of 9 children. You were the spunky one of the family that's for sure! The family will not be the same without you but you are up in heaven with all of your siblings and your parents. I hope there are lots of thrift stores in heaven for you and granny to go to say hi to her for me. Love you always.*

“ *I wish to express my condolences to the family. I know that your loss is painful. I hope that you can find comfort from our Heavenly Father who is the God of all comfort and who can help you to cope with the pain of losing a loved one. It can be so hard to face each day without that special someone, but the love and support of family and friends and, of course, our loving Creator, can help to ease the pain and sorrow. Again, please accept my sincere condolences.*

“ Mamal,
The day you left us was always something that I have been afraid of since I was a little girl. I can't believe that time has come. There is an emptiness I feel now that will never be filled and my world is no longer the same without you in it. I couldn't have asked for a better grandma than you. There is no one else like you, so caring, and selfless. I'll will never forget all that you've done for me. I admire the strong women you were. You are apart of me and it's indescribable how much I love you. Now you are my guardian angel. Until we meet again forever in my heart you will be.
