Come, Thou fount of every blessing,
Tune my heart to sing Thy grace;
Streams of mercy, never ceasing,
Calls for songs of loudest praise.
While the hope of endless glory
Fills my heart with joy and love,
Teach me ever to adore Thee;
May I still Thy goodness prove.

Oh that day when freed from sinning,
I shall see Thy lovely face;
Clothed then in the blood washed linen
How I'll sing Thy wonderous grace!
Come, my Lord, no longer tarry,
Take my ransomed soul away;
Send Thine angels soon to carry
Me to realms of endless day.

“ I always had the biggest crush on Josh. When I was about 15 I bought him a Shakira poster for Christmas because he liked her so much. I remember the look on his face when he unrolled it and he said it was the nicest gift her ever got. I'm sure it wasn't but he was always in the habit of making people feel special. He always had something nice to say and could always brighten my day with his little smirks the way he could make you feel like you were the only person in the whole world even in a crowded room. He brightened my childhood by being like a brother to me when I was younger and a friend when we grew older. Joshua, thank you for being a part of my life and filling my heart with love and friendship. I will love you forever. This is not “good-bye”, but a “see you later”. Until that day my dear I will be missing you.
