“ *Dear Howard, Joshua and David, please accept my condolences from overseas. I think you remember your babysitter from Holland. I spent a wonderful time with you guys in the beginning of the eighties. very sorry to hear that Judith passed away. I remember her as a very easy going wonderful lady with beautiful black curly hair. Josh was a sweet little boy and david a little mischievous ( very happy and easy ) I wish you guys a lot of strength. Best regards, Annemart from Holland (annamarthamaria@hotmail.com)*

“ *I have had the pleasure of being a patient of Dr.Heit and Judy for the last 15 years. How shocked was I to learn of Judy's sudden passing.Howard and Judy were an inseparable team. They saved my life .Judy always greeted me with a smile and treated me with the utmost respect. She lives on in spirit and will always be with Dr. Heit and her family.*

“ *My heart goes out to Howard, who gave me my life back. Judy always brightened the darkest day with her sense of humor, she was always on top of everything and sharp as a tack. Judy will be sorely missed. After a dozen years as a patient I felt I was treated more like family. There are no words to describe this terrible loss.*

*“ Dr. Heit, you and Judy have been my Angels for these past 6 years. I will miss her always and remember her with love. Especially, the beautiful relationship that I was able to witness with you two during my visits. I light my candle in memory of Judy. May her flame be bright and never waver!! My sympathy and condolence to the family.
