“ *Judy and I spent much of our single days terrorizing the Virginia and DC bars. We spent almost all of our time together and I loved her dearly. I was in her wedding to Gary and we had cookouts and get togethers just about every weekend I will miss you my friend and always love you.*

Melissa, Judy and I were very close when I lived in VA. Could you tell me what caused my friend to pass?

Lena Clinkscale - August 12, 2020 at 03:41 PM

“ *Dear Judy,
So many laughs and fun times. I will never forget meeting you for the first time somewhat randomly in Petsmart (it was Petstuff back then) and seeing one of my first standards. I will never forget you* ❤️

“ We miss her already, so full of life despite challenges and never a harsh word. Very hard to process that she is gone from our lives.

Our sincere condolences to her family and friends left behind...

I found this photo of Judy in happier times, winning Best in Match at our club show with baby Bode...

“ Judy and family, you are in our thought and prayers! As St Paul said “I have fought the good fight, I have finished the race, I have kept the faith.” These are the thoughts that come to mind when we think of Judy!

“My wonderful sister has gone home to be with the Good Lord and reunite with her husband Gary. We are going to miss her so, so much. There is so much to tell about how wonderful Judy was, but there simply aren't words to adequately describe what she meant to everyone, or how much everyone she loved meant to her. Judy also Loved her dogs. When Gary passed, she took to her dogs as though they were her children. She was so proud of them. She would groom them, she won awards in competition when she showed them; it was evident they became her pride and joy. Judy shared so many laughs with all of us and we always had so much fun together. She would want all of us to remember her and be joyous, even during this difficult occasion. Her contagious smile always warmed our hearts. She could not have been more generous to anyone she ever met. Even though none of our lives will ever be the same without Judy, we can all take comfort in knowing she is at peace. We pray that to the lord that she shines down upon us and brings peace to each of us. “My wonderful sister, I love you so much and thank God I had you for almost 60 years. In Jesus' name I pray, Amen.”

Judy and I owned brothers, and then sisters, Niki (shown above at PVSSC Specialty September 30, 2012) and the escape artist Nadia. Judy was supportive and happy to share in other competitors' wins, as shown by her brilliant smile.
