“ Well “Frank” I could write a book about all of our adventures! From all the moves we had to make, doctors appointments, grocery shopping, going to the fair, birthday parties, eating out, etc. Some good times some not so good. But we got through every one just fine in the end!

One of my funniest memories is hearing you yell out “Oh Frankie!”

Of course from then on you were my “Frank” or “Frankie” 😍

Every car ride was such an adventure that you never wanted to end.

I hope you're cruising Heaven in the coolest car ever! I can still hear you say “Let's hit those roads Jack!”

Rip “Frankie”

I love you!

Love, Your BFF Tammy ☐
