“ I had the pleasure of working with Kari at Kaiser Permanente. When I first met Kari I called her CareBear, she informed me that the name her family called her. She will always hold a special place in my heart. Gone, but never forgotten. You will be soley missed.

“ Kari was truly a very unique and positive person. I had the pleasure of Kari working for me at Kaiser for 4 years and treasure all the memories from that time. Gone much too soon, but know that an angel has been born. She will be missed by many who truly loved and cared about her.

“ Kari, you made people smile. You have always been there for people and made them feel as if everything would be okay. I have so many memories of Kari and I flowing through my mind. Growing up I was inspired by her strength, her courage, her never yielding will to fight and stay healthy. She has always been feisty in everything shes' done and would always kick my butt in a play fight! Even into adulthood she she was so determined and prevailed through hard times with a smile. She didnt complain she just pushed forward with a positive attitude. I will miss you Kari so much. Everyone will miss you... You brought so much to this world and to each and every person you met.

“A golden heart stopped beating, two shining eyes at rest. God broke our hearts to prove to us, He only takes the best.” Our family was pleased to have been able to be part of Kari's life. Her smile, laughter, and caring for others no matter what she was going through left a lasting impression on our family. She was very special to us. She will always be in our hearts. Our thoughts and prayers are with her family. The Davilla's (Alan's family)

“ *Kari came into my life when I was 5 years old, she was my sisters best friend. She became a sister to me, we (Kari, Kristi, Mary and I) always had a great time. Are childhood was just full of fun, rollerskating, going to the trailer, playing ball and so much more. It was great! I will miss this girl so much, her light will shine on forever in our hearts. I love you*

“ *I grew up in the same neighborhood as Kari and many of my childhood memories involve running around with Kari and our mutual friend Mary Cooksey. We attended the same elementary school, and she was the fastest girl there. We would always race each other and she would always win. She was one of the sweetest people I had the priviledge of knowing. Her time here was too short, and my heart goes out to you, Herb and the family. May God hold you close and give you peace now and in the days to come. Heaven has welcomed a truly wonderful person who will be incredibly missed! With Love and Prayers*

“You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her only that she is gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back. Or you can do what she'd want: smile, open your eyes, love and go on.”-David Harkins (Love you Kari!)

“It's hard to imagine that such a tiny light could leave such a big dark hole when extinguished! Shine on, Kari! Can't wait to see you again!
