“ *Ron & family, I was deeply saddened to hear that Kathy had passed from this world. Like Gary and Sharon, I will always have fond memories of her kind words, warm hugs, and giving nature! As the Roman poet Ovid once wrote, "Suppressed grief suffocates, it rages within the breast, and is forced to multiply its strength." So talk about those you miss - they would have wanted it that way!*

“ *Ron and Family, We share your loss of Kathy very deeply within our hearts. She was a one of a kind person with a heart full of joy and love for you and her girls. She was one of the first people from ISASI to reach out to us and welcome us and I won't ever forget her for that. She was and will continue to be an inspiration with her subtle way of coping with all things. Our thoughts and prayers are with you.*

“ To the Schleede and Cotterman families my heartfelt and loving condolences. Kathie and I were best friends so many years ago when we both attended Portage Path grade school. I have so many happy and treasured memories of Kathie, her family and our adventures. My fond hope that your happy and treasured memories will live in your hearts as you celebrate Kathie's life as a wonderful wife, mother, grand-ma, sister and friend. God Bless. Joyce

“ I am the executive director of the Northern Virginia Resource Center for Deaf and Hard of Hearing Persons. Kathie was beloved by all our staff and the members of Happy Hands deaf seniors organization. I am very sorry to hear of your loss. Kathie talked lovingly and proudly of her family and told wonderful stories of the precious times she had with her grandchildren. My heart is with you. Cheryl
