“ To our beautiful Kathryn: you were a compassionate and loving friend, a loyal advocate of the best of Republicanism, a guide in the many clubs and organizations you directed and presided over, and a first class patriot for America. You maintained a nurturing home for your family and displayed courage in the face of illness. I am very proud to have known you and learned from your simple, thorough wisdom and vast experience. We will miss you so much. To Tom and all your family our deepest sympathy. Gail and John McNally

“ Dear Tom and children and grandchildren,
Cynthia and I are so saddened to learn of the loss of the beautiful Kathryn, whom we have known for 58 years. Cynthia, of course, knew her even longer. I remember the days in your old house in Groveton when you had us over for a cookout and suddenly Debbie came running to us. "It's a rainin" she said. I'll never forget Kathryn and the beautiful Hook family. All your brothers and their wives were also well known to us as were LJ Hooke and Eva. Our thoughts and are prayers are with the entire family. I said a prayer for Kathryn for many years every morning while she was courageously fighting Cancer. My biggest regret is that we are still in Florida and cannot come by personally to pay our respects to her.
Much love,
Cynthia and Morty Zetlin
