“ *I am so sad to hear of Kimber's passing. My heart is with Dylan, Alexis, Ella and Caroline. I was very lucky to be Dylan's first grade teacher. He was a great student and his family was such a wonderful part of our classroom family. Though I've since left the area and lost touch with many of my former families, I am certain Dylan grew up to be a great young man who made his mother so proud, then and now. You and your sisters are in my prayers, Dylan.

“ Kimber was a beautiful soul. An amazing mom and dedicated nurse that made children with cancer smile and have fun during a difficult time. She also was there to listen to parents and let us cry on her shoulder. You were an Angel on earth and an Angel above. You are dearly missed Kimber.

“ I knew you as old kids trying to be adults and you were very strong then! It has been almost 20 years. You helped me more than you know. Just wish our miles between us hadn't separated us. I still remember it like yesterday. See you on the other side, cuz I know you are an Angel!
