

Kimberly C. Hoffman

July 5, 1979 - March 15, 2021

Kimberly C. Hoffman (Labrum), 41 passed away 15 March 2021.

Born in Salt Lake City, Utah on 5 July 1979, Kim was the beloved daughter of Thomas Nagel Labrum and Kathrine Campbell Labrum of Taylorsville, Utah. She lived in McLean, Virginia.

Kim was known for her talent of bringing beauty and light into the lives she touched. She had a keen sense of style and fashion as well as a gift for conversation and hospitality. Kim loved wearing fashion-forward clothes, sparkly jewelry, and zippered jackets. She was an exceptionally talented hair designer, entrepreneur, and make-up artist whose life's passion was making others look amazing.

As a young girl, Kim enjoyed being outdoors playing sports, and laughing with friends and siblings especially on warm sunny days. Energetic and deeply empathic, Kim was as competitive as she was compassionate.

Kim graduated from Taylorsville High School and earned a degree in cosmetology from the International Institute of Hair Design in 1997. At 19 she founded her own beauty salon aptly named Salon Diva, which she sold for profit seven years later. She created many memories and beautiful hair designs while owning the fun and spunky salon. Her appointment books were

always jam-packed with requests from her dedicated clientele whom she valued as friends. After a long day, her young, carefree spirit would drive away in her top-down purple convertible, golden brown hair glistening in the sunlight.

Kim moved to Washington DC in 2006 to be near her sister Karen and become a business consultant for salons across the country. After gaining certification as a cosmetic Make-up Artist, she worked on a few movie sets doing hair and make-up in New York.

Kim then pursued an opportunity to work as a disguise technician at the CIA. It was there that in the most unexpected but destined chance encounter, she met the love of her life, Daniel. They married on 16 May 2009 and had two sons Jerron and Nathan.

Being a wife and mother was to Kim the most valued and sacred part of her life. She had endless love for her “three boys” and nurtured them with kindness, caring, and empathy. Even when battling cancer, she poured every bit of her heart, love, courage, strength, kindness, and generosity into raising her sons.

Kim had a boundless curiosity for new adventures, including traveling the world with her love, Daniel. Her favorite times in life were traveling on vacation, staying in spa hotels on the beach, and going out to fancy dinners especially the OSS and White House Correspondents dinners, when she dressed to the nines.

Full of love, generosity, optimism, and light, Kim had a place in her heart for her friends and family and nourished those relationships with the greatest care and attention.

Kim sustained her four-year battle with neuroendocrine cancer with an extraordinary grace, determination and strength. She never gave up and always maintained her joy for life, her love for her boys, family, and friends even when undergoing the most painful and arduous treatments. Cancer never took away her beauty, her soul, or her mind.

Kim's beautiful and kind spirit will always be a blessing in our memory. Her star will never stop shining upon those whom she loved. Among her last wishes, Kim wanted all to know, "I will see you on the other side of the rainbow."

As Paul wrote in Corinthians 13:4-8, "love always protects, always trusts, always hopes, always perseveres."

Kimberly is survived by her husband, Daniel Nathan Hoffman and their precious sons, Jerron Louis Hoffman and Nathan Thomas Hoffman; her sister in law Elizabeth Hoffman and husband Eric Emerson and their children Olivia and Aidan; her mothers in law Frances Malino and Phyllis Hoffman; Thomas N Labrum (Father); Kathrine Colleen Campbell Labrum (Mother); siblings Kendall (Ami) Labrum, Kevin (Adrienne) Labrum, Karen (Paul) Peacock, Kari (Jared) Dazley, Thomas J. (Carolee) Labrum, Tyson (Lissa) Labrum; and many devoted cousins, aunts and uncles.

Private funeral service will be held on March 22 2021

Memorial contributions can be made to the Adler Capital Care hospice center.

*My deepest sympathy to the Labrum and Hoffman families. Kim was the best at everything she did. I loved having her cut and color my hair at Salon Diva, and no one has been able to cut my hair like she did. I don't know how many time I have said "I wish Kim could still do my hair." Even though I haven't seen Kim for several years, I knew about her cancer through her mom, and I so hoped that this would not be the outcome. Sending prayers your way.

Dear all, I never saw anyone more loved and better supported than Kim, and I never saw anyone fight harder for every day of life. She was a magnificent force, graceful and strong until the end. She lives on in wonderful Jerron and Nathan. Dan, I know you have an enormous appreciation for true Russian culture and language, so I offer this poem Wind, from Boris Pasternak. It seems to speak to the moment.

Wind

*I am no more but you live on,
And the wind, whining and complaining,
Is shaking house and forest, straining
Not single fir trees one by one
But the whole wood, all trees together,
With all the distance far and wide,
Like sail-less yachts in stormy weather
When moored within a bay they lie.
And this not out of wanton pride
Or fury bent on aimless wronging,
But to provide a lullaby
For you with words of grief and longing,*

“ Kim was one of the most inspiring people I have ever met. She was one of my first good friends when I moved to DC, and I have always felt a special closeness even when distance, family, and life drew us apart. She was a gift and I will always remember her smile, her goofy lighthearted personality, her determination to learn, grow, and improve, and her most of all - her loving heart. Words do not do justice to the magnitude of her loss. To Dan and family - I cannot imagine the pain, strength, and endurance this journey must require. I am and will continue to send you love and prayers. (Kim was also my bday buddy, so I can guarantee every July 5th, I will be thinking of you all and remembering Kim with love.) - Megan

We know there are no words to ease your pain or to fill the hole in your heart. We pray that, over time, your tears will become smiles as you remember your radiant bride on that beautiful Spring day in Oxford and as you think of the adoring mother she became. May you, Jerron and Nathan be comforted by the joy you gave Kim every moment of every day and know that she will live on within each of you forever.

“ *Dear Daniel, Jerron, and Nathan,*

Stephanie and I were so terribly saddened to learn of Kim's passing and are hopeful that you are all finding comfort in the arms of family and friends as well as the enduring memory of Kim's powerful love for all of her boys. You were such an inspiration these past years, smiling, laughing, loving and living in the face of this relentless disease. I'll never forget the funny scene of Kim and her sister doing an "Indy pit stop" diaper change on Arabella once, my previously considered competent diaper changes left a lot to be desired after that. Your house was always a hive of activity, warmth, and love. No matter what was going on, Kim always had a smile, a good bit of advice on parenting, or just a super kind word, regardless of what she was going through. Please know you will have our love and support always.

“ I am grateful to have had the honor of being Kimmi's Auntie. She had such a sparkle to her beautiful personality since the day she was born. She was warm, friendly, kind and had a wonderful sense of humor. She touched so many lives during her time on Earth and I am certain I will see her again when the time comes. It is so difficult to lose her but I prefer to think of this as a graduation of sorts; she goes on ahead of us to prepare the way. I expect she will always be right by Dan's side and her little guys watching over them every day of their lives. She is truly an angel and I am broken hearted. I will be her Auntie now and forever. “ God Blessed me the moment I met Kim twelve years ago and she has been my best friend ever since. We have been through a lot together. She always felt like not only a friend to me but a sister. My Kids grew up with her and considered her to be Auntie Kim and Loved her. She helped my daughter Grace with her Math Homework, did Kayla and Lea’s hair for their Proms and was there at my son’ graduation from OCS at Quantico. Kim was always sweet, cheerful whitty and so funny she had me and my girls laughing all the time. She Loved her boys and Dan so much and went above and beyond to make sure they were cared for and Loved. Her positivity, courage and strength were remarkable. The last few years have been crazy tough. I have witnessed her go through so much and there have been ups and downs and she was one Tough Cookie!!! She is a fighter and suffered but through it all still Loved and touched the lives of many. She is no doubt with Our Father in heaven and happy without suffering or pain or tears any longer. She is in my heart and When I see that butterfly, that Cardinal, or that lucky penny. i will know she is talking to me. Love you my Bestie Forever ❤️👉🦋😊🙏

“ Richard has long spoken fondly of Kim. While nothing said or done will ever make up for her passing, perhaps these words will offer a small degree of comfort for those Kimberly has left behind. They were delivered in 1910 as Edward VII was lying in State at Westminster Abbey:

Death is nothing at all

I have only slipped away to the next room.

I am I and you are you.

Whatever we were to each other,

That, we still are.

Call me by my old familiar name.

*Speak to me in the easy way
which you always used.*

Put no difference into your tone.

Wear no forced air of solemnity or sorrow.

*Laugh as we always laughed
at the little jokes we enjoyed together.*

Play, smile, think of me. Pray for me.

*Let my name be ever the household word
that it always was.*

Let it be spoken without effect.

Without the trace of a shadow on it.

Life means all that it ever meant.

It is the same that it ever was.

There is absolute unbroken continuity.

*Why should I be out of mind
because I am out of sight?*

I am but waiting for you.

For an interval.

Somewhere. Very near.

Just around the corner.

All is well

“ Kim or as to some of us Timmy, was our original DIVA, and during our salon days she was all about that disco ball that hung in her salon. She was always about fun, laughter and goofy dance moves. She was spontaneous and was always up for adventure. We had funny code words like purple combs and green combs....and well one night there were green combs flying everywhere. She will be missed for her love, her smile that could change anyone's days, and compassion she had for everyone. You would walk into the salon as a stranger and leave as a best friend. We love you Kim and we divas that have been left behind will honor you every minute until we are able to meet again. I know you will forever be missed and that you will always be watching over your sweet boys and husband. I pray that they are comforted at this time. To all of the many wonderful friends of our Kimmie.

We have been so blessed to be able to meet many of you and have you share your love of our beautiful daughter with us!

*We thank you for the many wonderful meals , cards, flowers
To help us through this trying time.*

She was so sad to leave her boys and life itself as she wanted to stay to enjoy watching them grow and experience all the things life has in store for them!

She loved her sisters and brothers and so proud of each one! She did everyone's hair for their weddings, making each sister or sister in law look and feel so beautiful for their special day!

She loved her many cousins, aunts, uncles, grandparents and always made time to talk with them on visits to Salt Lake.

She had friends everywhere and so many people loved her!

We are so proud of each of our children and want them to know how much we love them and want them to know that Kim always was concerned about them all!

We want to thank Daniel for giving us the blessing of being close to Kim these past few months, and will be for ever grateful for this time to be able to give her love and comfort.

We want to give a special thanks to Deanna who has been with Kim in the hospitals and driving her to her appointments and procedures these last 4 years!

We want to thank all the wonderful doctors, nurses, CNA's that have so tenderly cared for her and helped her be comfortable these past months.

*Special thanks to the wonderful
Doctors at John Hopkins that have helped Kim survive as long as she has with your knowledge and skills and care giving!*

Thank you to all my family and friends that have helped support and loved us through this trial with our beloved daughter.

*And finally but most importantly, I want to thank my Heavenly Father for his love and
comforting spirit to help give me strength and endurance during this very trying time.*
