“ *My family and I just learned the sad news. Our hearts are broken for Dino and his beautiful family. Dino, we appreciate you and your family so much. You and your family prepared delicious meals for us and we will never forget you. Thank you for creating a wonderful space for us to share delicious meals. Our thoughts and prayers are with you and your family. May you be seated in the heavens resting in peace. Sending our love and prayers to you and your family during this difficult time.*

“ *Dino was like a brother to me. I was in dental hygiene school and he will show up and be my patient so I can do my assignments in clinic. We watched the DC fireworks together in 2000. We watched movies and hang out a lot. Always a gentleman. Funny, great heart. RIP my friend.*

“ I first met Dino in 1990 shortly after I moved to northern Virginia. We hit it off immediately, and it wasn't long until we were hanging out on a regular basis. Wherever we went out all eyes were on us because it seemed we were having more fun than anyone else, thanks in no small part to his infectious laugh that will forever remain tattooed to my memory. But he was also one of the few people I felt truly comfortable with talking about the more serious matters in life, and for that I'm forever grateful to him. Rest In Peace, my friend. The impact you left on me will be forever felt.
