“ *Condolences to you all. Charlie has a special place in my memory, as I have been a member of the Alexandria Bar for almost as long as he did the catering for our meetings at Gadsby's. During my presidency of the group, his graciousness and pleasant attitude made it a sheer pleasure to work with him. Even when he began to ail, he sat behind the serving table and happily greeted each of us as we came into the meetings. He will be missed by all of us, I am sure.*
