“ *Richard and Family, So sorry to hear about the tragic loss of Landon. As a family who also lost our son Jordan in 2006 we understand the pain. I met Landon and Gaby at Jeannette and Andre's home some years back. I thought Landon was such a fine young man. Stay strong and live with the beautiful memories that you had with Landon. “ *Landon was my student several semesters ago. I was shocked and deeply saddened to learn of his passing: what a harsh reminder of how fragile life is. I(remember him as a smart and intriguing young man. My most sincere condolences to those who loved him, and whom he loved.*
