I will always remember all of the fun times at your home when Kathy, Mike, Phyllis, & I were in high school, & through out the years that followed. “ *Mr.Fallon was more than a friend or a parent of people that I love and the husband of someone that I love. He was a huge part of my family. My family is in mourning-- all of us! He was a great man who made my family welcome to his home all of the time. He and Mrs. Fallon took my family in when we were in transition between Virginia and Missouri.Our kids remember this experience as being "fun". They were young at that time and still have these "fun" memories. No better people on this face of the Earth than the Fallons'. I will never forget you Mr.Fallon and the great man that you were!! Another true Irish man added to Heaven to join my mother in a good round of Danny Boy!!! Our deepest love to you all!! Phyllis, Pete and family.*

“ Mrs. Fallon, Larry, Kathy and Mike, I was so saddened to hear of Mus's passing. I feel a great loss at the passing of such a dear, sweet man of which I have so many fond memories . Mr. Fallon always had a twinkle in his eye, a smile on his face and was always glad to see you. That is how I will always remember him. I have many childhood memories that have all of you in them. We had some good times together and I hope your own memories will comfort you in the days to come. Peace be with you. With All My Love, Gina
