“ *Dearest Laura, You will always be the tower of strength and the purveyor of what right looks like in the hearts and minds of all fortunate enough to call you a friend. I will never stop regretting that I didn't call you directly after I returned from Afghanistan and was too late when I picked up the phone. You deserved so much better from me. You will remain one of my major personal heroes in this lifetime for your valiant battle to overcome all and for living life in such a way that others should take note. Thank you for selling me my very first home in Lakeridge, for standing up at our wedding, and for always laying out the truth, no matter how much I didn't want to hear it. With all my love, Kathy*

“ *We'll miss you, Laura. We're sorry we heard too late to attend the service but our prayers are with you. Yours was a long and valiant struggle against an awful adversary, thank God for the members of your family and those special friends who helped you through it.*

“ I knew Laura for 30 years and she was my best friend. We spoke 4-5 times a week and over the we shared good and bad times. Laura will always be #4 on my speed dial. My life now has a void that will never be filled. I watched her suffer the last 3 1/2 years and I know she is in a better place. Laura, part of me went with you, I love you.

“ There is not one word to describe my Aunt Laura. She was always there for you with advice, whether you wanted to hear it or not. She was more like a mom to me at one point in my life. I always remember her pushing me to do better and I let her down at times, but she never gave up on me. My only regret is not being there for her in her time of need and I will never forgive myself for this. I know she is in a better place and I wish I had taken the time to reach out to her to make amends. She will truly be missed. She was a great woman. Suzzy, Josh and Gabby XOXO

“ Laura has been a great friend of ours since the time she met and married Billy. Billy was one of Tommy's friends his whole life. Laura helped us buy and sell our homes. She even sold our home in Colonial Beach to one of her friends and then she sold our home in Alexandria within 24 hours. I talked with Laura on the phone for a long time a couple weeks ago and she was in good spirits but said she was tired of fighting cancer. I always told her that she was the only Jewish person that I sent a White House Christmas Ornament too. We have nothing but fond memories of Laura. Laura and Billy were great to our daughters and also our grandchildren. We miss you Laura!!! XOXO Tommy and Joan

“ Laura was always helpful and supportive of me as a newly licensed agent in 1980/81 while we were at Merrill Lynch Realty on Edsall Rd. Her kindness will not be forgotten.
