“ *Larry was one of my best friends and I will miss him very much. He was an outstanding lawyer, a wonderful friend, devoted husband and father, and someone who had that rare combination of strong intellect, discipline, compassion, and good humor. He will be deeply missed and never forgotten.*

“ Larry was a terrific friend and colleague when we were active in scouting together as adults. As a cubmaster of Pack 1515 in Alexandria, Larry could always be counted on to help out in any way necessary; he served as a den leader and as an assistant cubmaster and his enthusiasm, willingness to help out and his unfailing good humor pretty much exemplified what being an adult leader was supposed to be about. I miss him.
