“ *Our hearts go out to Linda and the whole family. Andy and I will truly miss him. We so enjoyed our get togethers with you both. Larry had a great sense of humor and was always ready to join in the fun at Beth El. He was a leader and a friend at our temple; a real mensh. We will miss you, friend.*

“ I wish to share my condolences to the family on the loss of my friend. I shared many memories of Larry at Beth El and in the halls of the Forrestal Building where Larry came to offer his consultant services when I was an Office Director at the Energy Information Administration. However, my most recent memories surround his fellowship as a member of the Jewish War Veterans. He will be missed.

“ Larry was the quintessential role model for a life well-lived. Perhaps the best measure of this is in the impact he has had on others. Daniel and Matthew adored their grandfather and will always have the utmost respect for him. He taught them how to live an honorable life - such a gift to give to your grandsons. This is a tremendous loss for the family and Larry will be sorely missed. I know that his grandsons will always hold him near and dear in their hearts. With great sadness, I send my love and prayers to you all. All my love,  
Sarah
