“ *I am so sorry about your loss. My Aunt Ola Mae was so special to me and I loved her so much. I will cherish all the many long conversations that we used to have on Sunday afternoons which were 2 to 3 hours in length. Such a special special lady that I will always miss. I will always remember to that when she lived with my mother and dad for a short while that she used to lay me down on the bed at night and brush my hair until I went to sleep. Thankful that I have a lot of loving memories of her. Please know that all of you will be in my prayers for God to comfort you during this time of sorrow. Love you all. Please keep in touch. “ *Those we love remain with us for love itself lives on,
and cherished memories never fade
because a loved one’s gone.
Those we love can never be more than a thought apart,
for as long as there is memory, they’ll live on in the heart.
The one we have lost body may have gone,
But her spirit continues to live on within,
Rest assured that you will never be alone.
My heartfelt sympathy for your loss.*
