“ For many years, we were blessed to be a part of your family Sunday's. Every Sunday, the meals, desserts, the company and the best "Paw Paw" to two very young boys, Tyler and Shane, ever. You were one of a kind, Paw Paw, and your guidance and love will remain with us always. Rest peacefully. 🙏  
Love Always, Michelle, Tyler and Shane

“ *Our family has so many memories of time spent with Leonard and Margie, all wonderful memories, of course! We have been blessed to know them for approximately 25 years.*

*When I think of Leonard, I think of so many things, but most especially love, acceptance, and family. When I met them, they accepted me and my kids and treated us like family. Whenever we would visit with them, Leonard always greeted us at the door with a big smile, a twinkle in his eye, and open arms. I learned early on that when Leonard Brenemen gave you a hug, it was a very heartfelt and meaningful hug. You don't always get hugs from people of this caliber. They are to be cherished for sure!*

*Leonard, I know you are looking down upon us all with that same smile and twinkle. We thank you for the love you gave us and all the wonderful memories. We are blessed and will miss you beyond what words can express. You will live on in our hearts.*

*With love,  
Liz Houser & Faith Sterna*
