“ *I am in shock! Leroy was my Best Friend all through High School, and for a few years past. He disappeared and resurfaced, then disappeared again. I found him again only a short time ago, and had a conversation with him on the phone. I was so happy to find my long lost friend. I still tell of our antics through-out our high school years. I feel so bad, that when I found him, I only talked to him on the phone rather than drive up to see him face to face. I know he was the best friend I ever had, and I know this is a terrible los to all of you. I'm so sorry. Herbie D*

“ Dear Laura, Dee, Ruth, Cindy, Travis, and Tenita: We give you our deepest sympathy. We so enjoyed being part of Leroy's extended family: sharing Alana's birthday celebrations in Leroy's and Laura's residence (and watching the cats drooling over the bird feeder), and seeing ALL of you at Naomi's graduation (and squeezing into sitting at the tables and bar), and all again at Alana's recent 'birthday in the park' celebration (and Leroy whispering to Alana about her presents). Thank you for sharing Leroy with us. Much love always; Caryn and Bonnie.

“ I felt blessed in life to have known you and had you and Laura as friends and neighbors. Laura, indeed, had the most wonderful man and kind soul as her husband and best friend. You made a positive impact in so many lives, both human and animals. I pray that your legacy of giving and kindness continues through those you touched and that you continue to watch over Laura. I feel so honored to have known you. With the fondest memories and respect. Jean Maria

“ Dear Laura, Dee, Ruth, Cindy, Travis, Tenita - My heart goes out to all of you. I will not be able to attend the service on Monday, I have a medical procedure scheduled that I cannot skip (Lee will be there). Please know that I will be praying for all of you during that time and in the days to come. Leroy was a member of my family, and I loved him as a brother. I know how your hearts are breaking, but please know that he is now strong and free from pain in God's hands. I will be looking for him when I cross over (gonna be a hellava party on the other side!)

I hope the peace which comes from the memories of love shared, comfort you now and in the days ahead. To live in hearts we leave behind is not to die.
