“ *Lorraine worked many years in the Resources Directorate. I've known Lorraine for over 30 years. She was a dedicated DCAA employee, who was always willing to go the extra step to ensure program accomplishment. She was also a very gregarious person, who had the ability to quickly endear herself with all the people she met. Condolences to her family. May she rest in peace with God's blessings.*

“ *I am a friend of Alan's and just wanted to send my condolences to the whole family. It is truly a sad day now, but the hope of us all is to meet again one day on the other side. Just remember: she will be there to guide each of you to the other side one day. My love and prayers go out to each of you. When you are sad, feel her hand upon your shoulder telling you it is ok...*
