

Lynne L. Vaughan

March 9, 1962 - April 3, 2020

On Friday, 3 April 2020, Lynne L. Vaughan passed away at the age of 58.

Lynne was born on 9 March 1962 in Hampton, VA to Calvin and Carolyn Vaughan. She received her Bachelor's Degree from George Mason University in 1985 and worked for the majority of her professional career in the mortgage and real estate finance business.

Lynne had a passion for animals, the arts and photography. She shared her mother's love for animals, bringing two stray cats, Jack and her beloved Marilyn, adopted by her father, into her home upon her father's passing. She was a long-time fan, student and patron of the Torpedo Factory Art Center and an engaged supporter of craft jewelry and artisans in Alexandria and across the country. Lynne also had a great passion for travel. She made numerous international trips with her parents ensuring they too enjoyed travel well into their later years; the many trips also provided the perfect outlet for her love of photography.

Lynne was preceded in death by her mother, Carolyn and her father, Calvin. She is survived by her brother, Brett; her sister-in-law; a nephew, niece and an extended family of relatives. She was also beloved by a close company of in-laws.

Lynne was cremated and a service in remembrance of her life will be held at a future date. In lieu of flowers donations may be made to her favorite charities: the WETA PBS Foundation, the Heifer International Foundation, and Feeding America.
