“ Since the first day I joined Booz Allen five years ago, I have known Bob Evans as a smart, caring, and hardworking individual â€“ he was the backbone of the commercial business and helped me and countless others navigate the firm. Working with Bob has been a true pleasure and I considered him to be as much of a friend as a colleague. The number of people he has touched at the firm is countless, serving as a mentor, career manager, colleague, and advocate. I wish Bobâ€™s family much strength in the days and weeks ahead. He will always be part of the Booz Allen family.

“ There are few to no words I can offer that are of sufficient comfort to those who feel and especially those closest to the loss of Bob Evans. The swath of his presence in life was wide and it's depth is greatest for those who had the privilege of being family or regularly in his presence. I deeply feel the dimming of his life-light writing now from Houston, TX.

All I can offer is that I hope you find comfort in the shared memories and being surrounded by the amazing spider-web of kindness, caring and excellence that Bob wove with his time, energy and talent. I hope as many draw close as possible to you now and I offer what I can here given the distance being too great for me to be there in person.

I knew that Bob put his heart into anything he did and all whom he met. He shared that with me at a time when I was searching for growth and learning in new and different areas. For that, I will always be grateful. And it was for that, I was attempting to reach him just recently to extend my gratitude only to find I had waited too long.

Heartfelt sympathies to all at this sad time. Please carry with you Bob's best in your hearts and minds because then he is never gone - his best lives on in all of us to whom he gave so much.

“ Bob was the example of a true servant leader. Anything you asked of him, no task was too big or small and was done willingly and with the spirit of excellence. He was the calm in many storms and his presence will be missed. During this difficult time, may angels surround all who knew and loved Bob and may our memories of Bob be forever treasured. My prayers of peace .. that surpasses all understanding .. to his family and extended loved ones.

“ Bob was a caring mentor throughout the five years I worked at Booz Allen and after, a supportive friend. He wanted to the best for me - as he did for so many others - and made time for regular lunches, a kind word, and a listening ear. He strove to do the right thing and serves as an inspiration to me. He was a constant bright spot in my life, and I will miss him enormously. Bob will live on in my memory and my actions.
