“ *My heart goes out to you, Susie. I'm glad you have Carl right there beside you. I am guessing that right now you feel wrapped up tight in a cocoon of prayer and love. Our mothers have so much influence in shaping us into the people we become, and you are an example of a great outcome! Love you, Suzi*

“ *Dear Susie, Thanks to Kay White for sending your mom's obit. Lots of memories came rushing in. Your mom was a dear lady and even as a child I knew my mom had great respect for your mom and loved your grandparents. Love and peace, Gena Leidecker Brooks*

“ Susie, When I saw the picture of your mother today in the Standard Times, I knew it had to be your mother as you looked just like her when you lived here..... the same sweet smile, etc.I have thought of you through the years and wondered how you were. You were such a dear young lady. I pray that Life has been kind to you. When I pass your former home on Jackson Street, I remember you. I would love to hear from you . I am sorry about your mother.It it sounds as if she had an interesting and fulfilling life. Peace and Joy, Nita

“ Susie, I worked for O. C. Fisher in D.C.; and through their longtime family friendship, I met your mother. We became fast friends and corresponded until she went into the Md. rest home facility. At that point she quit writing, and I lost contact with her. I have always felt a void in not knowing what was going on with her. I've kept her address card and fingered it lovingly many times, wishing I knew more of her whereabouts and health. I loved her. She was gracious, warm and a steady friend, a Christian lady through and through. I hope you are fine. I didn't know of John's passing either. Margaret so loved you and John. Thank you for placing her orbit in the San Angelo paper. I was quite fond of your mother and enjoyed many wonderful moments with her, at the OCF office and relished her hospitality in her NW apartment. My love, my condolences to you and your children. Margaret was a beautiful, colorful personalty and my dear friend.
