Celestial Love - November 03, 2017 at 12:00 AM

“ *I am still trying to make sense of your sudden departure. I have such sweet memories of the summers your brother Evelio and your sister Astrid spent with us in Barranquitas. Your contagious laugh and good nature as a young girl will live in my heart forever. I always knew you were an angel among us with your infinite kindness and love.*

Mari, your wings grew too fast and took you to heaven too soon, but I know the day will come when our wings will also grow and we will meet again upon a bright cloud in heaven to play like children together. Be at peace Maruca.

“ *Little did we know that morning that God was going to call your name. In life we loved you dearly, in death we do the same.*

It breaks our hearts to lose you, you did not go alone; for part of us went with you, the day God called you home.

You left us peaceful memories, your love is still our guide; and though we cannot see you, you are always at our side.

Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again.

I love you, Mari.
