“ She was a sweet lady. I lived with her son Jim in Cambridge, England, and saw her both there and in Fairfax. I share your grief and keep your entire family in my prayers. I would like to be in touch to help with an obituary for Jim for the American Astronomical Society. Gerry Williger

“ *My sincere sympathy to you Marilyn. Your Mom and I lived behind each other when you were a little girl. My daughter, Bonni and you played with each other in our back yard, house, everywhere. You were her best friend. I have a picture of you and Bonni celebrating one of her birthdays (special memories). Your Mom was a sweet lady and a very lovely one. Blessings coming your way. “ *If any one deserved to live 9 decades on this earth, it was Marilyn . . . she was one of the kindest people I have ever known, and SO very dedicated to her family . . . I have heard more than one person tell her that they wished she could have been their mom! And such grace . . . she endured many challenges during her lifetime, some quite devastating for her, but she never let her burdens show through -- always smiling and seeking to attend to others. God bless you, Marilyn, and may you now be relieved of those burdens and rest in peace with your beloved husband Walter and precious son Jim, We love you and miss you dearly!! Your good friend forever, Bill Simpson*

“ *She share with her ice cream cones with me that she was trying out from Trader Joe's. I really enjoyed our conversation she also share about her family during my visits.
