“ *Dear Danny, Paul and Jonathan - I always remember your Mom as such a wonderful and gracious lady. You were blessed to be raised under the loving wings of Marge and Ben. I first met Marge around 65 years ago when I was in grade school with Danny. Many years later Nancy and I enjoyed our visits with her bringing our 3 boys to see her.*

She will be missed by all and I will never forget her.

All our love to you and the family,

Mike Sorensen

“ *I know how much Mrs. Abramson meant to her son Jon. She must have been a wonderful mother to have. At least he will have all of those wonderful memories and his mother's wisdom for the future.*

“*Dear Cousins, I remember Margie and her smile very well, and of course Ben, too, from their visits to our family in Worcester eons ago. May her memory be a blessing. Sympathy and hugs from your cousin Lisa Pemstein (granddaughter of Sadie Abramson Pemstein, who was Ben's sister)*
