Mickey was one of the best if not the best man I have ever been blessed to have known it's the world's loss that he passed the saddest part of his life is that you and I weren't capable of loving him enough or even trying to

“ Mickey was a person that was full of energy, always on the go, enjoyed life and there was never a dull moment with him. He was the kind of person that would give you the shirt off his back. He was an accomplished tradesman who was always helping people with projects or home improvements. His smile and his laugh was infectious. He loved his friends, his family, loved Kelly Johnson, and most of all he loved and believed in God and the Lord Jesus Christ. Mickey felt that life's journeys were always easier when he trusted in the Lord. We should always remember Mickey for his Friendship, Love, Happiness, and Faith. I leave you with one final message for Mickey and for us all to remember: "The nicest place to be is in someone's THOUGHTS! The safest place to be is in someone's PRAYERS! And the best place to be is in GODS HANDS!" We love you Mickey, Rest in Peace with the Lord!
