“ *The English language fails me here --- there are just no words that can possibly express to you our deepest, deepest sympathy and heartfelt condolences. You are experiencing every parent's absolute worst nightmare and there is not a thing we can possibly do or say to ease your overwhelming pain and grief. Since receiving your email this morning, we've been on email and the telephone with our other Kenyon friends, all in total shock and devastation -- grieving for Mark Jr. -- for both of you -- for Anna, Robert and Ali -- and for all of your extended families. Please know that you are all in our constant thoughts and prayers.*
