“ You were such a special woman and did so much for others including myself. You loved your family so much and were such a great support to them. I’m sure “Twinkie” is beside himself with joy that you’re reunited, I imagine he’s been lost without you. I will always have such fond memories of you and I’ll miss you. Lots of Love, Tina

“ Love you always & forever, Mom! You were the best mother any son could ever want or have. You were always there for us, no matter what. You worked 3 jobs at a time when we were growing up, just so we had food on the table & a roof over our head. You thought of everyone else before yourself. If I ever had a problem, you were always there to listen & give me guidance. I hope I made you proud. You will always be in my thoughts, now & forever!
Your loving son ... Chris
