To know Marty was to love her. A caring member and volunteer of many communities, including the American Horticultural Society and Mt. She loved gardening and reading and was dedicated to her family and friends. A memorial service will be held at Good Shepherd Catholic Church, 8710 Mt. “ *Sweet Marthe. That's what many of us called her. She showed me kindness in it's truest sense. Whenever someone said a negative and mean statement, Marthe would later ask, "Why did he/she say that?" Or she would say, "I would have said it differently." When a meeting got off to an inappropriate tone, she'd say, "Today's meeting proves there's still vitality in our group." I will miss Marthe's positive outlook and non-judgmental generosity with words. She always sought to understand and see the other perspective of things. She helped me to be a better person -- and I was a better person by just being her friend. When she traveled to help her sister, Juliette, move, Marthe texted me saying, "This move is a big one for Juliette and a good one, but a lot of energy is going into it, spiritual and physical. This is where I belong for sure." Merci, chérie. Jamari*
