“ I was at The Gardens yesterday and learned of Mary's passing. As a volunteer down there, I spent many hours with her over the years. She was such fun. I have many of her beautiful bracelets. It was a pleasure to be in her company. She can now watch us all from a grander view. Debbie Lewis

“ Kaye and family, on behalf of Heather, Kim, Megan and myself, we would like to offer our most heartfelt condolences and deepest sympathies. Your parents were exceptional friends and neighbors, and surrogate grandparents for the girls. Just this weekend, we were sharing stories of the old neighborhood with the newest owners of the Pooley home, and of course the many episodes with your folks. We adored your mother, and this world is a lesser place without her in it. Please know that we are thinking of you and your family. The Jeffries

“Kaye, my heart is heavy for you and your long line of family. No wonder why Mary Nell smiled so much. She had lots of love to be happy about. I will miss your stories with your laughter about your visits with your Mom. She was an incredible woman, smart and spirited. Most of all, Mary Nell raised some wonderful children. She certainly blessed my heart with you, Kaye. May our Lord send his angels to each and everyone of Mary Nell's family and wrap them in their wings. May Mary Nell rest in the fold of our Lords arms. Where she will find eternal peace.
Amen

“Mom" Froelich, how I will miss you! You've been the light of your daughter Kaye's heart & she always shared your pictures & times together! I always felt part of your life as Kaye shared with me those wonderful times. Our chats on the phone were short but you always had something funny to say, and what artist you were in your jewelry making, everyone was blessed! There's so much that I could say but I'll miss your heart, laughter & beautiful smile the most! One day we shall see each other again. To Mary Nell's family, my sincere condolences to each of you. I know she loved and cherished each one of you. I'm sorry for your loss of your precious Mother/Grand & Greatmother. Mom Froelich as I called her will be missed deeply. Your families are in my prayers & may God bring you all comfort and peace for the months ahead.
Sincerely,
Teri Yoder
