“ *To The Gryder Family,*

*We are shocked to learn this news via the Jefferson website when checking on services for another friend recently passing. Mrs. Gryder was our neighbor for more than 15 years. She was a beacon of cheer and light on our block! Never a harsh word, only great sound, experienced advice and bright encouragement came from her lips. She was a dedicated and loving wife, grandmother, and mother. She watched our children play in our yard from their birth as they grew and she continued to watch them while at Sunrise when they would joyfully Irish Step Dance for her and others each year in March. We really enjoyed her company, even on our many visits to Sunrise. She will be deeply missed. Our sincere condolences to her children, grandchildren, and extended family. As always, you are all in our prayers. In His Name,  
The Granahan Family*
