“ *Dear Bob and family, I was just thinking of Regina today. I think of her often as she was such an inspiration to me as both a teacher and a Mom. I think you were all so very lucky to have her and she loved all of you so much. Thank you for sharing her with me and know there are hundreds of children and adults who are better people because of her.*

“ *Dear Bill, Bethany, and Claire, Rick and I are with you today as you celebrate your mother's life. We will keep you and your family in our prayers. I'm sorry we can't be there. May God Bless you and all the family and fill you with abundant graces in this time of sorrow. Rick and Janie*

“ *I was one of her first grade students 23 years ago. I will always remember that she told it like it is, but made it known that she cared. May God bring you comfort.*

“ Dear Bethany, Chris and Matt, Please know I am keeping each of you in my prayers and heart. Knowing your dear Mother is with God will not lessen the pain of loss and separation. Besides, no one loves you like your Mom! Your Mother was (is!) a wonderful person. Having known her over the years I taught you at PVI, I was always impressed by her upbeat spirit and many kindnesses. She was truly a treasure! Each of you is a legacy of your Mom. Over the years I would meet her at the mall or similar and she would very proudly give me a run down of all your activities, achievements...and more recently about grandchildren. Her greatest gifts to you are each other and the deep faith she had. May both these gifts be a source of strength, comfort and peace to you at this time and in the days, months, years to come. I am now living south west of No. VA. I will not be able to be present at the Mass for your Mom, but I will be there in prayerful spirit. God bless each of you with the graces God knows you need. Please also express my sympathy and prayer to your dead Dad. Lovingly, Helen Cerunda Brewer

“ So sad to hear of Mrs. Loach's passing We previously attended St. Bernadettes and she was the second grade teacher for several of our children. Mrs Loach, at her core, was a very very caring teacher, even though she was equally known for her no nonsense demeanor. She was a kind and good person who helped our children progress in their education and their spitirual life. Thank you Mrs. Loach for all you did for our family. May you rest in peace. Liz Gauthier
