“ *"Mom" MaryAnn Burley was not my biological mother but she was the BEST MOM I ever had and the MOST DESERVING OF SUCH A TITLE IN EVERY HEARTFELT WAY. I MISS YOU SO! IN PASSING Sometimes Mom in passing Would pat you on the back And sometimes in passing She'd show you the right track. Sometimes Mom in passing Would say, "You sure look nice!" And sometimes in passing She could, make you, think twice. Sometimes Mom in passing Would lightly touch your hair And sometimes in passing She'd show you what was fair. Sometimes Mom in passing Would ask, "What do you mean?" And sometimes in passing She would get in between. Sometimes Mom in passing Would give you, "that look" And sometimes in passing Would give you what it took. But this time, Mom is passing From this world to the best And this time in passing She'll pass the final test. And now that Mom has passed And the pain is so unkind Just look and you'll find her There in your heart and mind.*

“ *"MY ANGEL' God sent an angel to this earth, I called you Mother You listened to me through laughter and tears, and were there for me for so many years. Now what can I do, Oh, what can I say? For God has taken my angel away. To spread your wings far above, to fill the sky with your beautiful love. The most giving woman I've ever known, but now our Lord has called you home. A life eternal in His loving care, by His grace one day I'll see you there. Goodbye for now, Mom, until we meet again; My angel, my mother, and my best friend.*

“ *STILL IN THE HEART I have this Family of friends Whose Mother passed away Moving to a better place And, a peaceful day. I know about the pain That, they are going through Because the loss of "Mom" Is the saddest, that is true. Sometimes, it is a blessing When their "life" is in decline Not, what it used to be When, "everything" worked fine. But still, it hurts so much When Mother goes away When you know you won't see Her For, forever and a day. But the memories will be there And will help, to get you through When, you're thinking of Mom And, feeling kind of blue.*

“ *FOR MOM AND THE BURLEY FAMILY She was there at the beginning When the world was new to you - She was there to turn to happy times Those when, you were hurt or blue. She was there to listen to your thoughts And when you asked, to give advice - She was there to tell you, "Those don't match!" Or, "Hon, you sure look nice." She was there with you at nighttime To help you say your prayers _ She was there to tell you, "It's alright." When you had a dream that scares. She was there at morning time To get you up and out of bed - She was there when you didn't feel good (or did) To say, "You'd best stay home, instead." She was there when you were hungry And when you had those dirty clothes - She was there when you needed her (How she knew? Only heaven knows.) She was there at the beginning And she'll be there your whole life through - She'll be there in your mind and heart Just like a mother is supposed to do.*
